WE FORD DEALERS HAVE JUST COME BACK FROM DETROIT AND WE'RE TELLING YOU...

"We've seen the Falcon and OH BOY!"

GET READY for the nicest surprise of a motoring lifetime, when you see and drive the New-size Ford . . . the Ford Falcon. Here's what you'll see . . . and experience . . .

1. **An altogether new and smarter** look in new-size cars.
2. **More head room, leg room, hip room** than you'd ever imagine in a car this size . . . and it seats six six-footers . . . takes all their luggage!
3. **Free and easy get-in and get-out convenience.** No windshield "dogleg" . . . it's been swept forward, out of the way! And door openings are big!
4. **Big expanse of safety glass** all around (it was pioneered by Ford!) . . . with visibility like you'd never believe in a car the Falcon's size!
5. **Steers, parks, stops** so effortlessly that no power assists are even necessary. And you can have the Falcon's own 2-speed Fordomatic Drive to make the going even nimbler!
6. **Body and frame** are of single-unit construction like the Thunderbird . . . makes it almost immune to rattles. For greatest upkeep economy, fenders are bolted on, grille is rust-resisting aluminum, important underbody structures are heavily zinc-coated to resist corrosion through the years.
7. **The Falcon's** now undergoing a dramatic Experience Run, U.S.A., over every mile of numbered U. S. highway, as the climactic test to 3 years and 3 million miles of research, development and testing.
8. **Experience Run** is now *proving* that the new Ford Falcon averages up to 30 miles per gallon of *regular* gas!
9. **The new, 90-hp Falcon Six engine** is up front, for greater stability and safety. And it's not an untried, experimental engine, but built on modern short-stroke principles that have been thoroughly proved and universally accepted by engine engineers.
10. **The purchase price** will be your first big savings. We can't tell you what it will be, just yet, but it will prove—right from the start—that the new Ford Falcon is your *smartest* car. Come in now, for more details. We're accepting orders for the new Ford Falcon, right now!

BE A CIVIC-MINDED CITIZEN!

At this season of the year, new life is breathed into community affairs by the stepped-up activity of the many civic organizations. Vacation time is over . . . schools are in session . . . . it is time for renewed stress on community programs. Appomattox is fortunate to have many civic clubs and organizations. We salute them, and wish for each and every one a fine program of work for these active months ahead.

Countless people give a great portion of their time to work connected with these civic clubs. This is done out of public-spirited interest, and is deserving of commendation.
